I have a beautiful set, that cannot be used By Red Top Teach Yourself Mahjong is still difficult concept for me. I play this game on the computer, but I

cannot play it "in Person" on the table. I have a beautiful set, that cannot be used. I think I shall sell the set, and the book on .. A lot of money wasted. Sorry to be so negative.0 of 3 people found the following review helpful. Five StarsBy GabriellaEverything was excellent. Thank you, ggulley10

Developed by Confucius around 500 BC, the game of mahjong has entranced people for more than two millennia. Written for beginners, Teach Yourself Mahjong covers all the bases, from basic rules of play and scoring to advanced strategies. Each phase of play is clearly explained with the help of step-by-step illustrations, and key differences found in American mahjong variants are highlighted. This new edition covers the latest developments in the game, including the new Chinese Official International Rules.
