Lynn G. Cooper : Teaching Band and Orchestra: Methods and Materials before purchasing it in order to gage whether or not it would be worth my time, and all praised Teaching Band and Orchestra: Methods and Materials:

0 of 0 people found the following review helpful. InformativeBy SCanesThis book is very informative. It does come off as a textbook with questions at the end of each chapter for an education course but it still has helpful information for the "newbie" teacher. It leans more towards band but still has useful resources for the orchestra classroom.0 of 0 people found the following review helpful. Not goodBy CustomerThis book was incredibly mildew-y smelling when I got, there was no way to get rid of the smell. I hated keeping it in my desk drawer because the smell transferred. Not good.1 of 1 people found the following review helpful. A tremendous helpBy madhattermusoThis book has become my bible in helping me to be a better band director. Incredibly helpful book. There isn't a focus on how to conduct

rehearsals efficiently, but I don't know where I would be now as a Band Director without this book, I highly recommend it!

This book covers every critical area in the professional life of band and orchestra teachers working at the primary and secondary levels. Topics explored include recruiting and retention, creating lesson plans, assessment, curriculum development, selecting literature, running effective rehearsals, and organising concerts. Also addressed are the administrative realities of being a music teacher, from the job search to fundraising. A plethora of forms, sample letters, charts, and lists of suggested literature round out this resource-packed text.

About the AuthorLynn G. Cooper is the chair of the music department, director of bands, and professor of music at Asbury College in Wilmore, Kentucky, where he conducts the concert band and teaches courses in conducting and instrumental music education. He is the Kentucky state chair for the Society of Music Teacher Education and a past state chair of the College Band Directors National Association. He has served on the board of directors of Kentucky Music Educators Association, for which he is the president-elect. He lives in Wilmore, Kentucky.
