Rosemary Boden : Teaching Bridge on Cruise Ships before purchasing it in order to gage whether or not it would be worth my time, and all praised Teaching Bridge on Cruise Ships:

0 of 0 people found the following review helpful. good summary By Alan Walters There are several good tips, worthwhile for cruise lecturers. I recommend it, even for experienced directors. good luck and have fun, cheers 0 of 0 people found the following review helpful. Comments on the book. By Lillian D Johannessen It was too elementary and not enough detail in the book. I feel that I could have done a better job myself. 0 of 0 people found the following

review helpful. *The Insiders Guide to Teaching on Cruise Ships* By RWC Lee This is a roadmap on the ins and outs of teaching on cruise ships. Rosemary has been most generous in sharing her experience and insights. If you follow her prescriptive advice, you will be successful! Most important, it will also help you decide if it is for you.

Travel and Teach at Sea Learn how to break into the wonderful world of teaching bridge on luxury cruise ships. This little book covers everything you need to know from finding an agent and making a lesson plan to packing the right clothes." A must read for any bridge teacher who wants to teach on cruise ships." Barbara Seagram
