DisappointedBy Not your average Grandma When I ordered I expected an actual kit...but it was a book of how to assrmble a kit...0 of 0 people found the following review helpful. Five StarsBy Reader86I liked it.0 of 0 people found the following review helpful. Teen Witch KitBy Terri MazzucaAlthough the kit appeared to look new when I first opened it, I found several pieces missing which cost me more money in the end as it was a gift for my daughter. This makes me wish to only make sure the future items I purchase are brand new as to avoid any futher problems.

Now you can be a practising teen witch, and a force for the good! Everything you need to step into the realm of the wise is here. The kit contains a beautifully illustrated book of instructions that includes over 40 mystical spells plus six magical talismans - yes-no coin; wish cord; golden money charm, silver bell, pentacle pendant, quartz crystal, sea salt and a spell bag.

.com Author and clan leader Silver RavenWolf has four teenagers of her own, so she knows a lot about teenage angst. She also knows you can't "just pick up a remote control and switch to another channel if things aren't going too well." What you can do, however, is turn to witchcraft. Those who are looking for an easy out through magick will not find it with the Teen Witch Kit. "The path of any Wiccan is a brave one," warns RavenWolf, who focuses her book and tool

kit on helping witches master self-understanding and compassion in order to serve the greater good. "Witchcraft, and specifically Wiccan witchcraft, is a pro-active, Earth-centered belief system that honors all of life," she writes. Teen witches can expect to find a code of honor as well as tips on creating a magick circle, daily altar, and holy water. The final half of the book is dedicated to teenage spells, including a spell "to find direction in life and stop drifting," "for shopping guidance," "to cope with peer pressure," and "to be a gracious leader." The kit and easy-to-assemble altar includes numerous charms, such as a "silver moon pendant" (for protection), prosperity coin, quartz crystal, and gold wish cord. --Tara West
