By Chamsuddine Gihade J'adore ce guide du jeu Tekken 3 comme je l'ai depuis 1998 car c'est un trs bon livre o il explique bien les mouvements des personnages comme il y a tout pour finir le jeu 100 % donc je suis pas ru et je suis satisfait. 0 of 0 people found the following review helpful. Tekken 3 : Prima's Official Strategy By J.A. The guide for tekken 3 could have been better. They spent lots of time with the photos, but some of the moves were either wrong or incomplete (paul's tackle to choke move). King's links could have been explained better, and there is lack of actual combos for all the characters. I enjoyed brady's guide better.

Detailed strategies, bios, stats, and tips for all characters Winning moves lists Hints for defeating the CPU Secret characters revealed Special moves and combos Memory card stickers!About the AuthorPrima Creative Services is a team of gaming experts that has produced over 60 strategy guides for Prima Publishing, and collectively has two decades of experience in the gaming magazine field.
