5 of 5 people found the following review helpful. Very short, no pictures. By Andy Not much info in this book. I figured out most of it playing the game for a few hours. But there was some info I didn't know. Big print and only a few pages, no pictures. This is worth a library check out. So I'm donating my to my local library. 5 of 5 people found the following review helpful. Aside from the binding it looks like it could be made on a home printer. By Paula Rae Basically an ebook in print. Aside from the binding it looks like it could be made on a home printer. No pictures. Very basic info.

One thing is for sure, we still haven't found out everything in our habitat. There are still worlds waiting to be discovered and mysteries to unlock. And if you are one of the adventure-drunken gamer who loves mining, building houses, killing zombies, making potions, exploring new realms and more, then you must include Terarria in your game list.
