Hugh Walter Kelsey : Test Your Finessing (Master Bridge Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Test Your Finessing (Master Bridge Series):

0 of 0 people found the following review helpful. confusingBy a readerI was disappointed in this book - it was confusing and not very helpful - also very short, not much more than a pamphlet. I'm an intermediate bridge player.

Finessing is one of the commonest techniques in bridge and is also one of the most important. This book - a reissue of a title that was first published by Gollancz in 1981 - covers all aspects of finessing.
